Dear readers, we have had again some problems with users registration due to a bad server configuration. The problem was solved today, July 8th. If you are not registered, please [register](#). If you try to register at any time, please do it again. Thus, you will have full access to participation in debates and you would have the opportunity to launch new topics of discussion.

This section contains discussions between professional archaeologists and areas related to archaeology on topics of current interest and importance, both for the exercise of the profession, and for the protection of cultural heritage Ecuador.

We invite you to participate with opinions and comments that enrich the discussions that take place here.

To join the Forum section must sign in the window that appears when you click on the link "Sign in the forums" low. To do so, open register in the top menu and follow the instructions. Once registered you can participate in a Forum existing choosing a topic that interests you, clicking on its title. Doing this will open a new window where viewing the already existing discussion which can participate in two ways. If you want to comment or respond to a specific, you must click on the word Citation which is on the menu on each intervention. To participate in the general discussion, click on the menu Reply which is on the right corner at the bottom of the page. You get a message window from which you can enter your speech. Make clicking on Send and ready.

To add a new topic of discussion must register and click on Get in the main menu, there should be entered into one of the existing categories, which will look at the right side of the menu option new topic, make a click and write or modify your text. Validate the theme with the Send option.
