54 INTERNATIONAL CONGRESS OF AMERICANISTS

Vienna, Austria, 15-20 July 2012

Building Dialogues in the Americas

Dear colleagues,

with great pleasure we announce that the preliminary program of the 54 ICA has published on the congress website. You find your symposium, including paper titles and abstracts as well as the assigned time slot(s) online here http://ica2012.univie.ac.at/index.php?id=116622&no_cache=1

We also attach an overview schedule of the entire congress for your information.

We would like to take the opportunity to remind those of you who have not yet registered that all active participants (conveners and presenters) have to register until 31 March 2012 in order to allow for your inclusion into the final program. Let us also remind you that the reduced early registration fee is still available until 12 March 2012 for all (including the non-active) participants.

All conveners have now received the contact information of their symposia's participants and will soon contact them regarding the specific schedule and arrangements of each symposium. As the 54 ICA will not publish minutes and papers, all deadlines and specifications with respect to the long versions of your presentations are at the conveners's discretion.

As far as your travel arrangements and accommodation in Vienna are concerned, we would like to recommend you to book your flights to the 54 ICA using the special conditions offered by Star Alliance <http://ica2012.univie.ac.at/index.php?id=69850> .

The University of Vienna also has pre-selected hotels in different categories for the benefit of congress participants; these rooms will be allocated to participants free of handling fees until 15 May 2012 [here](#) for your online booking.
