The Biodiversity Heritage Library (BHL) has made available the Smithsonian Institution's Bureau of American Ethnology Bulletin n° 143 (all 7 volumes in PDF) known as the "*Handbook of South American Indians*

", Julian H. Steward, Ed. It can be downloaded from
<http://www.biodiversitylibrary.org/bibliography/37959>

This is a real contribution to our area research needs so please keep in mind that the BHL does ask for donations to continue their excellent attention to such important collections. Enjoy!
