There are no translations available at this moment. Thanks for your comprehension.

Arqueologia Iberoamericana wants to publish monographic supplements on various topics such as Andean Archaeology. Knowing the problems involved in paying for publishing, these supplements will be disseminated through institutional subscriptions. That is, authors can publish for free on these supplements. The only requirement is to ask the subscription of their institutions. In addition, you could control the issue of the supplement on Andean Archaeology. Many thanks.

Sincerely yours,
Dr. Pascual Izquierdo
Editor of Arqueologia Iberoamericana
