SERI Mandate 2013-2016
EPFL Leading House

Exploration of research collaboration between Switzerland and Latin America
Round Table Discussions
9 September 2014 at EPFL

This Round Table is aimed at informing the Swiss scientific community and raising awareness of the existing and potential areas of collaboration with Latin American countries as well as sharing the mapping and analysis that was carried out based on the survey sent out end 2013.

On-line registration and the agenda will be sent shortly.
