Dear Andeanist,

The Institute of Andean Studies invites you to join us for our 55th Annual Meeting in Berkeley, this January 9-10, 2015 (Friday and Saturday). Everyone is welcome.

The preliminary program of papers and posters is included below. For a more detailed program, paper and poster abstracts, and registration and accommodation information, please visit <http://www.instituteofandeanstudies.org/meetings.html>

Registration is \$40.00 (\$10.00 for students) until January 1, 2015, and \$60.00 (\$20.00 for students) thereafter, including at the meeting. You may register online at the link above. If you have already registered, thank you!

This year, we are pleased to announce our first annual Travel Grantee, Verónica Isabel Williams, of the National Council of Scientific and Technological Research (CONICET), University of Buenos Aires.

You are also invited to the second annual IAS Commensal Feast. We have reserved a room at the nearby Faculty Club for sixty attendees to discuss and network over lunch on Friday. Anyone registered for the meeting is welcome. Attendees will purchase their own reasonably-priced meals, but the pleasant space is entirely ours. Reserve your seat as you sign in at the meeting.
